COMMANDER'S CALL

COMRADES AND SISTERS

What a great year 2012-2013 was. Check out our website to see the awards that the Post received at our last meeting from the District Two Commander. The Post should do as good this year, if not better ... but we need the volunteers to step up to the plate and lend a hand. We still have some vacancies to fill in order to accomplish our goals. See the Senior Vice Commander and he will fill you in with our needs.

Let's not forget membership. Our strength is in our membership, so let's get out and recruit. The Post finished the year with 1,760 members. Let's shoot for 1,800 this year!

The Post Picnic is on track, our Junior Vice Commander and Ladies Senior Vice President

have a handle on setting it up, but we will still need Volunteers to assist.

Always remember that this is your Post! Come to the meetings and have your say.

SENIOR VICE COMMANDER

As some of you have noticed, the parking lot has been re-sealed and the curbs and lines re-stripped. I was canvassing the parking lot yesterday when I noticed a great deal of cigarette

butts thrown all over the parking lot. I believe every member needs to take responsibility in keeping our Home clean. The organization of the VFW requires cooperation and participation for its very existence. Because of your cooperation and participation we have one of the largest and most successful Posts in the world. Your officers are striving to obtain the status of All-State and All-American this year, which will be a wasted effort if the current members do not assist and cooperate with the officers and treat the post as **THEIR** home. In stating this we have several cigarette disposals outside the building. Please use these for extinguishing you cigarettes. If you see debris around and you are able, please pick up the debris and dispose of it in one of our outside trash containers. Remember you are a member and thus the VFW is your home. Treat the facilities with respect and help keep it cleaned.

Currently the kitchen renovation is behind but has picked up pace. Joe and Ralph have been pushing it along. From what I have seen, I believe the kitchen will be state of the art and much more functional.

We have received 1 bid thus far for the improvement of the ventilation system. We will request several others then will make a decision. Our goal is to complete the upgrade in segments that will neither impinge upon the canteen's business nor require a large outlay of monies in order to have better quality air.

We need everyone to help our recruiting efforts. I would like to challenge all members to help recruit at least one new member each this year. If you do not feel comfortable asking someone to join, I would suggest that you ask

an "eligible" person to be your guest at the Post, and one of the Officers or members can assist in the application process.

In closing I would like to thank each of you that have been helpful supporting our efforts. Hope to see you around the Post, but love to see you at the monthly meeting.

**LADIES AUXILIARY
PRESIDENT**

Sisters and Comrades,

Well ladies, here we go again! In all seriousness, I would like to thank the membership for their continued support and pledge to do my best for the Auxiliary and Post. I will be working closely with our new Commander, Mike Gaughan, who supports the Auxiliary in all ways.

Ladies, enjoy these quiet days of summer, now, while you can. Once August rolls around, we will be diving into our programs and activities!

I would like to remind the membership that the American Red Cross has issued an Emergency Appeal, urging all eligible donors to give blood. Blood supplies are very low. There is less than a one-day supply of critical blood types on

the shelves. Please, if you are able to donate, do so now. For additional information call (800) 448-3543 or visit the website at redcrossblood.org/midatlantic. If you are able to respond, please report to our Hospital Chairmen, Judy Lupole.

Should anything happen to any of our sisters or their families, our Chaplain Lucy Bailey, stands ready to respond. But remember, if she isn't informed, there is nothing that she can do.

Our District 2 Meeting will be held at Post 392, on 10Aug with lunch at noon, and meeting to follow. On 25Aug there will be a District School of Instruction at Post 3160, Norfolk. All are invited to attend, lunch at noon. On 30Aug we will have a special meeting to get the dues cards out for our continuous members. If anyone cares to help lick & stick, meet us at 6PM!

Our next meeting will be held on August 6th at 7:00PM. Please come on out and join us.

For those sisters who cannot be with us, due to illness or locale, our hearts and prayers are with you.

If any information or assistance is needed, I can be reached on my cell at all times. Please call me at 438-4689.

Fellow Coots,

Just a few notes from your Seam Squirrel as a new year begins. Our first scratch of the year was very successful. Here are a few upcoming dates to remember, August 17th Christmas in August at the VA Hospital, contact Sister Denice for the times. In September, on the 8th is the Post Picnic, the 14th Pup Tent 9 will host the Fall Council of Administration for the Grand of Virginia. Sept 15th is the start date for our breakfast, beginning with Team two, and finally on the 21st is the annual Poker Run.

Anyone interested in joining a breakfast team there will be a sign up list posted in the Canteen or contact a team leader: Team 1 Doug "Pimp Daddy" Keller, Team 2 Larry Peterson or Brad Inman, and Team 3 Bill Moran.

Our organization is successful only through the hard work of our volunteers. I want to thank ALL the volunteers who make Pup Tent 9 a great success. Looking forward to a fun and successful year. Remember - increase and multiply.

Our next Scratch is scheduled at 7 pm on Aug. 13th. Until the Next Scratch may God Bless our Troops, our Veterans and their families.

POST SURGEON

The virus that causes shingles may already be inside you. As we get older, we may be paying more attention to our health than we used to. One of the things that you should be aware of is that if you ever had chickenpox, the virus that causes Shingles is inside you. That means the painful, blistering rash of Shingles can happen to you at any time.

Fortunately, there is a vaccine to help prevent the outbreak of this painful rash. If you are over age 50 and a TRICARE member, you can receive the Shingles vaccine at any of the Navy Branch Medical facilities including at NAS Oceana. The Immunizations Department at NAS Oceana can be reached at (757) 953-3933, and is open from 0700 – 1530 M-F.

PROGRAMS AND SERVICES**

*(excerpt from cancer.org
Support & Treatment Resources)*

The American Cancer Society has programs and services to help people with cancer and their

loved ones to understand cancer, manage their lives through treatment and recovery, and find the emotional support they need. And best of all, it is free.

Online Communities & Support

If you're facing a cancer diagnosis, connecting with others who've been through one already can be a source of comfort and support. Learn more about the American Cancer Society's online communities including whatnext.com (firsthand insight cancer support network), circleofsharing.cancer.org (personalized cancer information), and csn.cancer.org (Cancer Survivors Network).

Road to Recovery (Rides to Treatment)

Every day, cancer patients need rides to treatment. Some may not be able to drive themselves, and family and friends cannot always help. Call the South Atlantic Division at (888) 227-6333 for more information.

Hope Lodge

Getting the best care sometimes means cancer patients must travel away from home. This can place an extra emotional and financial burden on patients and caregivers during an already challenging time. The American Cancer Society is trying to make this difficult situation easier for both cancer patients and their families through Hope Lodge. Call (800) 227-2345 for more information.

Additional Help Programs

There are many cancer related support programs at cancer.org/treatment/supportprogramsservices like cancer education, help with cancer appearance-related side effects, programs for teens coping with cancer, etc. Visit the link

They are legally authorized to notarize documents such as Power of Attorney, Bill of Sale, Will, Living Will, etc.

Please check with any Post 392 Officers for additional details and for an appointment.

NRA GUN SAFETY COURSE

The Post is sponsoring a gun Safety Course for those interested in learning about gun safety and either wanting to obtain a Concealed Carry permit or others who are considering the purchase of a firearm for personal / home protection. There is no age limit to participate. If you have a firearm in your house and also have children - it would be to their advantage to obtain knowledge about firearm danger and safety.

Normally duration of the class is 8 hours, but this will be condensed to approximately 3½ to 4 hours, will

**VETERANS ADMINISTRATION
MEDICAL CENTER**

Volunteers Needed

Every month we visit the Veterans at the VA Hospital. We provide them camaraderie, some fun, and a break from their everyday life at the hospital. Sometimes it's a popcorn & movie night, BINGO, or Casino games.

Sometimes we host them at the Post for lunch. We also do holiday events with them, including Christmas in non-Christmas months.

These events are supported by volunteers, who are organized into teams (Team 1, Team 2, etc). The Teams are rotated each visit as not to overwhelm anyone's schedules.

Here lately we have been running short on volunteers to help support these events, especially Team 2.

It is **urgent** that we get at least 3 or 4 volunteers soon so as **not** to cancel any VA Hospital visits.

If you feel you would like to participate, please contact me at luedale88@cox.net or at (757) 581-2702. Or Tina or Mike Gaughan, or any Post Officer.

Please, we could seriously use the help, and I promise you will have a great time! The Vets enjoy our visits, and it's just as fun for us as it is for them!

**Hospital Chairperson
Judy Lupole**
