### COMMANDER'S CALL

Brothers and Sisters,

Greeting Comrades, I do hope everyone is doing well and have been staying safe and healthy. I am getting really excited for what is coming our way. We have entered 2022 with our regularly scheduled events, those being our Dart tournament, Texas Hold'em tournament, MOCA Bingo, and last but not least, our monthly Pool Tournament. If you are a pool player, come on out and enjoy yourself and the others that play, they seem to have a good time. The Dart tournament went really well, with probably the largest group I have yet seen playing, and all had a good time.

Now on to Feb 2022. Our New Year has kicked off with a bang. Keep an eye on the Calendar for events scheduled, changed, or updated. Our Adjutant keeps the calendar up to date, sometimes on very short notice.

Let's talk a bit about upcoming February events. We start off with

something I have been working on for quite some time. I am excited to say we are going to have a Quilts of Valor presentation at our Post on February 5<sup>th</sup>. If you have never witnessed one before it is a very touching event. I hope this is the first of many we host. On Friday, February 11<sup>th</sup>, performer Bryan Dunn will be providing live acoustic guitar entertainment from 6-10 PM. Then on February 19<sup>th</sup>, we will be holding a Grover Gaming Tournament, as was requested by our members a while ago, now that COVID isn't controlling our lives as much. And YES, it's back - Casino Night will be held on February the 26<sup>th</sup>, with a Mardi Gras theme! Get your tickets and enjoy the festivities for this great event!!

This is your Post. Make sure you come and support your Post and enjoy the camaraderie of your fellow Post members. We are always adding new members, so come meet them and build friendships. Our Post is only as good as you make it. We are a great Post that can always get

better. If you have an idea, or want to get more involved, there are plenty of opportunities and new ideas are always welcome. Our Post meetings are held on the 1<sup>st</sup> Tuesday of the month and 7:00 pm. Our House Committee meeting is the last Wednesday of the Month at 6:30pm. It is open to all members to bring up ideas and or concerns. You can always use the suggestion box, as the House Committee Chairman reads and responds to every signed suggestion submitted. With that being said, please remember our members are our brothers and sisters, their family is our family, and be respectful of everyone.

If you have read any of my newsletter articles, you know there is something that is always near and dear to my heart. As we enter 2022, it is even more important. We lose way too many lives to suicide. I think every day should be about suicide awareness. We all have heard about the 22 a day suicides. Please everyone, let's take care of one another, be kind to one another, and make sure if someone needs to talk, we are there to listen. You never know how your actions can affect a life. If you put them off it may be too late. As always, be a friend to those in need, as suicide is a serious problem with our veterans. Keep them in your prayers. It never hurts to be friendly to them, as it just may save their lives.

If you know of a member, veteran, or their family member that is in need or ill, please bring it to our attention.

### **SENIOR VICE COMMANDER**

Greetings, Brothers and Sisters!

February is here and the Groundhog will be peeking out. I sure hope he doesn't see a shadow! I prefer the milder winters.

Last month wasn't particularly a great one for me. COVID came to visit just after Christmas, and then decided to turn into a Sinus infection. What a great couple of weeks I had over the holidays!! Due to my illnesses, I haven't been able to visit the Post to try out the food in the Canteen since we hired the new manager and cooks, but I hear it's really good and am looking forward to getting back.

As always, there are plenty of opportunities for fellowship on the Calendar, including our Friday Night Shrimp Special, Darts and Pool Tournaments, Texas Hold'em Card tourney, MOCA Bingo, and our twice a month Cootie Breakfasts. I hope to see you soon and often!

## CHAPLAIN'S CORNER

Greetings all from your Post 392 Chaplain.

Comrades, I hope that all are well and getting out more often than not. The Post remains open and busy, so look closely at the Calendar to see all the events coming up.

This is the lesson for February: Soldiers throughout time have known the importance of shields. Facing danger and the possibility of death or injury, they have welcomed the protection offered by shields.

Styles and shapes of shields have changed to reflect new technologies and weapons.

Depending on place and time, shields have been made from animal hide, wood, or various metals. Some have been plain while others were elaborately decorated. But during battle, soldiers know that an effective shield can save their lives.

People find various ways to be shielded. Some trust in their jobs or resources. Others hide behind governments or armies. Some retreat to secluded hideaways. But the Bible teaches that none of these can protect us perfectly. All these human shields have imperfections that can fail. The only perfect protection is to trust God.

The Psalmist urgently wanted people to understand this truth. Over and over, he urged everyone to "trust in the Lord." It was a message he cried to Israel, the house of Aaron, and all who fear the Lord. He certainly would convey the same message to us. Our only effective shield is to trust God.

Remember that you have an adversary who is prowling like a roaring lion. He is seeking to devour you and your family. The world can be and often is a dangerous place. Make sure you trust in the Lord, as He is your shield.

Father, I look to You to defend me. I take up the shield of faith and believe You for protection. Help me to be ready. In Jesus' name, Amen.
